

Treasurers Report: Comments

- Request SRC provide an annual cashflow of receipts in from fundraisers and moneys spent, perhaps this could be presented at the P&C AGM each year.
 - Transparency of reporting back to students and their families;
 - Excellent learning opportunity wrt:
 - Accountability and being reportable to those you represent,
 - basic maths skills,
 - broader general knowledge of how cashflow and reporting systems should be operated.
- Based on the Intention of the P&C at the time of agreeing to support the “SRC Sponsored Child” donation, I believe the SRC should be funding 100% of the donation to the school not 50%. The funds raised by the SRC at the disco in Term 1, should all be sent to “So They Can”. Only when SRC cannot raise enough to fund the \$600pa should the P&C be covering the shortfall.
