

Principal's Report – Term 2 Week 8 2015

- Not a great deal to report on, which means everything appears to be running smoothly. Thank you to Mrs Xuereb and Mrs Xuereb for relieving whilst I was on LSL.
- Jamberoo remains busy yet committed to academic excellence. Staff are involved with How2Learn and implementing the 2015-2017 school plan, which is on the website.
- Staff and students are indeed very busy, as per usual. The last 4 weeks Term 2 has and will provide a wealth of opportunities for our students, including: Stage 3 overnight excursion, Dance Festival, reports, AFL final for the girls, Musicaviva, Production, Athletics Carnival preparation, supervising prac students, preparing for interviews, SIMF and Jamberoo Jabber. Jamberoo students are very lucky to have such a dedicated staff.
