Kinder Orientation

Since Kindy Orientation will be held too late this year to allow Uniform Shop to complete new Kinders Uniform Orders by the end of the school year, we have pre-ordered many uniform items based on numbers of 13 boys and 11 girls (as advised by school). This will hopefully give us enough uniforms to at least partially complete Kinder 2017 orders by the end of the school year.

It is not usually possible to do this, as we need up-front payment, but this year a healthy bank balance allowed it to be possible.

We also verbally notified many existing JPS parents whom we knew had Kinder students for 2017, and some have ordered their 2017 Kinder students uniforms as part of our Summer Order.

Hopefully we have done enough to ensure all 2017 Kinders can start next year in their school uniform, although they may not have all their ordered items until the first couple of weeks of Term 1.

Summer Uniform Orders

Summer Uniform Orders were also taken last term and distributed in Week 1 with orders submitted for 13 students.
