

Jamberoo P&C Uniform Shop Term 4, 2016

Kinder 2016 Orientation

Uniform Shop assisted with Kinder Orientation including:

- Volunteers at 2 of the Kinder Orientation parent sessions, with uniforms to look at and try on
- Detailed uniform handout to Kinder parents on our school uniform, including discounted "starter packs" and order form
- Presentation and discussion on our school uniform and ancillary items such as library bags, reusable pouches
- Took orders, and then supplied students with all uniform items by end of term

Sales from Kinder Orientation = \$1999.00, which is the highest in 5 years.

Year 2 Sports Uniforms

Uniform Shop took orders from Year 2 students for their Sports Uniform, and gave out the Uniforms during the last week of term.

Uniform Shop Volunteer needed

Unfortunately, Ruth is no longer able to volunteer in Uniform Shop due to work commitments. Seeking another volunteer to assist Gail. Duties include:

- Assisting students and parents with uniform purchases
- Cash handling, writing sales in general ledger, writing receipts
- Stock take
- Ordering uniforms from suppliers
- Banking

We would like express our heartfelt thanks to Ruth for her contribution to Uniform Shop! Ruth has volunteered in Uniform Shop for 5 years, week in week out she has been there helping parents and students purchase uniforms, as well as doing a number of Kinder Orientations, sourcing suppliers, introducing new uniform items etc! She has volunteered a large number of hours in this role, and we have truly appreciated her efforts.

Uniform Shop moving open days

Uniform Shop moved from Thursdays to Mondays due to Ruth's work commitments. Monday mornings are terrible for Gail as its our household's most disorganised morning of the week. Looking at moving back to Thursdays (or another day if a volunteer can work any other day besides Mondays). Will communicate change on Facebook and in Newsletter.
