Active After-School Communities Program

The Active After-School Communities (AASC) Program will continue in Term 3 on Mondays and Wednesday afternoons. The AASC program is a national initiative that aims to engage children in sport and other structured physical activities and through positive and fun experiences help them develop a love of sport and skills in various areas. During Term 3 there will be two different activities offered: Monday – Martial Arts, Wednesday - Gymnastics. Sessions are led by a trained professional and also supervised by a member of staff. Students involved in the program are provided with a healthy afternoon tea. There is no cost for the program as it is covered by the Commonwealth Grant. Students may be involved in either of the programs or both. The programs will operate for 1 hour on Monday and Wednesday, for 7 weeks, commencing in Week 2, Monday, 22nd July and Wednesday, 24th July and ending in week 9 on Monday, 9th September and Wednesday, 11th September. There will be no Active After school care in week 7 due to Southern Stars.

If you would like your child/ children to participate in the Program, please return the Expression of Interest to Mrs Cartwright as soon as you can. Students will need to have returned the permission note below to attend the session.

Mrs Cartwright
