Building Partnerships Grant

What a pleasure it was to have Mr Gareth Ward attend our Presentation Day assembly last Friday and make the exciting announcement regarding the school's successful application for funding of \$35,000 towards the outdoor learning classroom. This funding will help create an outdoor educational area by building a pergola, outdoor kitchen, pathways, timber seating and tables, including solar panels to become more environmentally friendly and make the students more aware of our natural environment. Thank you to Mrs Jackie Hall for the hard work and effort she put into the application. The school is very much looking forward to commencing the project next year.

Year 6 Farewell

Congratulations and goodbye to the 21 Year 6 students who celebrated their farewell on Monday night at The Pavilion. We will dearly miss a wonderful group of students who share a special bond after seven years together at Jamberoo Public School. I am certain that all of our departing Year 6 students will be very successful in their years in high school and future occupations. Thank you to the parents and staff who attended Monday night's farewell dinner. It was a fantastic evening, with lots of special memories shared in speeches and viewed in slide shows.

Presentation Day

Wow! I was super impressed with all aspects of last Friday's Presentation Day assembly. Thank you to all the families and community members who were in attendance and shared such a special occasion with the students of Jamberoo Public School. Thank you to all the incredible students who sat so patiently and quietly throughout the assembly and had such excellent manners when receiving awards. A special thank you to the amazing staff at Jamberoo for organising such a wonderful event! Particular mention goes to Mrs Behl-Shanks and the staff for leading and organising the Presentation Day. I know the amount of time and event that goes into running such an event so I thank her for her efforts.

A reminder that the last day for students and staff is this Friday December 15. School will resume for all students in years 1-6 on Tuesday January 30. I would like to personally thank all members of the Jamberoo school community for their hard work, time, dedication and contributions to the learning and well-being of all students at Jamberoo Public School. The partnerships between parents, students, staff and the Jamberoo community are vital to ensuring the successful running of a school. I look forward to working with you all in 2018 and strengthening the bonds with all school stakeholders next year. I wish you all a very Merry Christmas and a prosperous new year.
