A SMALL SCHOOL MAKING A BIG DIFFERENCE

Stage 3
Campers

School Calendar

Friday 30th November	- Birralee Assembly Item - Drumming
Monday 3rd December	- Kiama High School Mathematics Assessment - 2pm
Tuesday 4th December	- Kiama High School Yr 6 Orientation
Wednesday 5th December	- P&C Meeting 7pm - Parent Helpers Morning Tea 11am
Thursday 6th December	- Preschool Celebration 5.30pm - Captains Speeches 12pm
Friday 7th December	- House Captains Elections
Tuesday 11th December	- Carols in the Park - Stage 3 Jamberoo Recreation Park
Friday 14th December	- Presentation Day
Monday 17th December	- Yr 6 Farewell Dinner
Tuesday 18th December	- Christmas Concert 2pm - Kiama High School Presentation Evening
Wednesday 19th December	- Gold Day

Stage 3 Camp

Wow, what a camp! Abseiling, laser skirmish, giant swing, archery, BMX, flying fox the list of fun and adrenaline pumping activities go on and on. Thank you to our wonderful Stage 3 students for their amazing behaviour and sense of adventure. You all overcame your fears and personal obstacles to take on the challenges at Wedderburn Camp. A huge thank you to Mrs Larsen and Mrs Moore for attending camp and making it lots of fun for our students. Well done Jamberoo kids, you were fantastic representatives of our awesome school!

Care Monkey

The school has successfully been utilising the Care Monkey program for the last year. As part of the process for **new Kindergarten families**, parents will be sent an email requesting medical and contact information for their child. The email will be sent to families in the next week. The school requests that you complete all of the required details before the end of Term 4. This will allow the school to have updated student details for all of our students. Parents of students currently enrolled at the school will not be required to create a profile for their child/children. The current student medical and contact details will remain current in 2019.

The P&C has fully endorsed and is very supportive of the Care Monkey initiative. Your child's medical records will be protected through the latest security measures.

The days of written permission notes are over. All notes are distributed digitally through Care Monkey. No more looking through your child's school bag for notes covered in Vegemite or peanut butter.

If you have any questions about the Care Monkey program, please don't hesitate to contact the school or check out the video (Care Monkey for Schools) below:

<https://www.caremonkey.com/demonstration/>

Presentation Day

A reminder that our annual Presentation Day will be on Friday 14th December in our school hall. The ceremony will commence at 9:30am and will conclude at approximately 11:30am. All parents and families are welcome.

Caring for the School Awards

During Term Four, the Principal's Award will be given to students who look after the school environment and school equipment, which links in with our positive behaviour expectation of 'caring for this place'. If you see any of our students caring for the school, please do not hesitate to contact me.

So far this term the following students have been presented Principal's Awards for caring for the school:

Darcy Douch	Will Haslam	Ava Kirk
Cooper Anderson	Cooper Ford	Jeremy Stiner
Luca Pedersen	Finn Pedersen	Lucy McDonnell
Eva Heffernan		

Who will be receiving a Principal's Award at tomorrow's assembly. Be there at 12:45pm to find out!!!

Gold Day

The whole school is excited about Gold Day which will occur on Wednesday 19th December. It is very pleasing to see how many students have already achieved 'gold' and we are only just into Term 4. It just goes to show what amazing and well-behaved students we have at Jamberoo Public School.

The decision has been made that Gold Day this year will be a trip to the movies for students in Kindergarten to Year 3 and a session at Flip Out for the students in Year 4 to Year 6. After the activities, the whole school will come together to have a picnic lunch.

The K-3 students will be travelling by bus to Hoyts at Warrawong and will be watching the movie Wreck It Ralph 2. The children will receive a popcorn and a drink. The students in Years 4 to 6 will travel by bus to North Wollongong Flip Out where they will participate in two hours of fun and thrills.

After the movie, we will head to Lake Illawarra foreshore, have some lunch and play some games. Gold Day will be a well-deserved reward for our wonderful students who achieve gold in 2018! The cost of the day is 'free'. Transport, movie ticket and Flip Out entry will be covered. The students will just need to bring their lunch, recess and drink with them for the picnic.

Please complete the permission form ASAP so we have a clear indication of the number of students who will be attending Gold Day.

Please remember to collect and hand in your child's awards to the front office. Awards will need to be handed into Mrs De Las Heras on or before Friday 14th December.

2019 Leader Nominations

Speeches will be presented in the school hall on Thursday 6th December at 12pm. Families are more than welcome to attend.

House captain and vice-captain meetings will be conducted on Friday 7th December for interested students.

Outside School Hours Care (OSHC) Survey

Thank you to the families who have already completed and returned the OSHC Survey sent home last week. This survey is **vital** in the collection of evidence to justify having an OSHC provider in the school. There was a survey conducted late last year, however I feel there is a need to conduct another survey now, especially considering that student numbers are continuing to grow at Jamberoo. The data will be sent to the Department of Education and a decision will be made by the Department if there is enough of a need to have an OSHC provider at Jamberoo Public School.

Please take five minutes of your time to complete the survey before Friday 7th December and return it to the front office.

Jamberoo Carols in the Park

On **Tuesday 11th December**, our school will be participating in Jamberoo's Carols in the Park, beginning at **6:45 pm**. If you have never been before, it really is a wonderful community event. All students are currently (or soon will be) preparing an item for this event, which will also be performed the next week at our school's Christmas Concert Assembly (**Tuesday 18th December at 2 pm**). Our school will have three Christmas songs to share with the community at the Carols in the Park, one done by students in Walabi and Birrahlee (K/1), another by students in Wonga Wonga and Tangalla (Yrs 1, 2, 3) and one done by our senior students in Nuninoona and Cooida (Years 4, 5, 6). Students should be alert and ready to proceed to side-stage (in front of the youth hall) when their teacher calls them. Please keep an eye out on the stage and side-stage area and when you see your group gathering, please take yourself over there. Walabi and Birrahlee students will be performing almost immediately, so we will be gathering very early on, while the Salvation Army band is playing at the beginning. **All students have been asked by the organisers of the event to arrive by 7:00 pm.**

Students are asked to **wear Christmas colours – any combination of red, green and white**. Christmas decorations such as antlers and tinsel are welcome. It will be the same for the following week when we have our Christmas concert assembly: students are to wear Christmas colours to school on Tuesday 18th December. As it is a school day, please ensure sun safety with covered shoulders, covered shoes and a hat.

We hope you will be able to join us for these festive end-of-year events. Please see me with any questions.

Chook Help!

We are currently signing up families who would like to help take care of our school chooks over the holidays. Is your family interested in signing up to care for the chooks? Sign up at the school office, and then please see Mrs Dowling or me and we can show you how easy it is. You simply go up to the school in the morning with the key and let the chooks out of their night pen, check that they have clean water (refill the water with the hose) and give them some veggie scraps from home. Tip: they really like bread soaked in water. You can also get some of the spinach out of the school veggie garden for them. Check for eggs and scrape any chook poo out of the way (there is a metal bin to put it in) with the shovel or the hoe. They don't free-range in the holidays as we can't guarantee their safety when there is no one about. They stay in the day pen. Come back some time in the afternoon and give them a small scoop of pellet feed (which is in the large bin in the day pen) and put them in their night pen. They might also like some of the scratch mix if there is any. We have also been trialling an automatic feeding system, which may have been perfected by the time the Christmas holidays comes around. (Thank you Grandma Nell!!)

The money that we receive from selling our free-range eggs at Friday assemblies is used to purchase their pellet feed.

A dedicated group of 'chook roster' students care for our chooks on school days. These hard-working students are acknowledged at assembly at the end of each term with a merit certificate. Students who have helped on the weekends and in the school holidays for Semester Two will also be acknowledged at the end of this term with a merit certificate.

I would like to say a particular thank you to Mrs Dowling who does much of the daily supervision of the students on the chook roster and regularly checks that the chooks are well taken care of. We couldn't have chooks without her!

We still have many spaces in our school holiday chook roster, so please consider signing up. It's fun!

Mrs McCormack

Stage 3 Goes to Wedderburn

On Monday, Tuesday and Wednesday, Stage 3 students went to Wedderburn Camp, where we experienced many activities such as laser skirmish, BMX and the hair raising giant swing. Other fun things to do included: Mini Olympics, pool time, volleyball and table tennis. We were well fed, with popular meals being burgers, nachos and pancakes. Wedderburn camp gave us opportunities for 'challenge by choice', which means that challenges were set by the instructors, but we could choose our level of participation. The staff encouraged us to push ourselves and overcome our fears. We all felt a great sense of accomplishment and excitement when we completed a challenge. Stage 3 are very grateful to everyone who made this amazing, adventurous experience possible.

To assist us to explore the possibility of an OSHC service at our school, parents are asked to complete the survey below.

The decision about establishing a service will be based on this survey, so if you are interested in using this proposed service, please take the time to complete this survey.

1) Which year group are your children in? – Please indicate how many in each year group.

Kindergarten—Year 2	Years 3-4	Years 5-6
---------------------	-----------	-----------

2) When do you think you would be most likely to use the OSHC service? Please indicate number of children. (If occasionally indicate days)

Service Required	Regularly					Occasionally (No. of Days)
	Monday	Tuesday	Wednesday	Thursday	Friday	
Before School Care						
After School Care						
Vacation Care						
Staff Development Days						

3) Please circle the times you would most likely require the service to be open (From – To).

Before School	6:30am	7:00am	8:00am
After School	4:00pm	5:00pm	6:00pm
Vacation/Staff Development	6:30 – 4:30	7:00am – 5:00pm	6:30 – 6:00pm

Please return this note to the front office by Friday 7th December.

CREATIVE KIDS PROGRAM A STEP CLOSER

Families across NSW will soon be able to access the new **\$100 Creative Kids voucher** unlocking the creative abilities of a new generation across the State **from 1 January 2019** when the program takes effect.

All relevant providers have been asked to register with Service NSW so they can participate in the program.

Parents will be able to use **one voucher for every school-age child per year** to help meet the cost of structured creative and cultural activities, such as **music lessons, languages, coding, drama and theatre, photography and graphic design**.

So far more than \$200 million has been returned to households this calendar year through various cost of living incentives. Creative Kids will provide parents with even more hip pocket relief.

There are thousands of organisations out there who could be eligible for the program. I am calling on them to register with Service NSW so that parents can claim their \$100 vouchers with them in the New Year.

This is a fantastic initiative that is only made possible because of the strong economic position of the NSW Government.

We can afford to deliver real savings that help the working families of NSW and reduce barriers to healthy activity.

This program compliments the hugely popular Active Kids voucher and for a family with two children, Creative and Active Kids combined will save them \$400 a year.

Creative Kids is one of a raft of NSW Government initiatives helping to ease cost of living pressure for households. Others include cheaper Green Slips and refunds, free car registration for regular toll users and the FuelCheck app.

Further information including guidelines for providers is available at www.service.nsw.gov.au/creativekids. I encourage parents to speak to the providers of their children's creative activities and ensure that they register.
