TERM 1 WEEK 4 2020 NEWSLETTER

PH: 4236 0173 FAX: 4236 0633

## ClassDojo

Visit the Jamberoo Public School Dojo site today to find information and dates about events happening during the year. Staff look forward to working with the school community to showcase the amazing skills and talents of our students.

## Special Religious Education (Scripture)

SRE stated last week at JPS. Scripture will occur each Thursday afternoon and is provided by many wonderful volunteers. Your child is expected to show the same respect to our volunteers as they would to any other adult or teacher. We hope at home students can share their learning from SRE lessons. If at any time in the year your child's SRE or non-SRE circumstances change, please send details into the office.

## Tongarra Swimming Carnival

Tomorrow we have over 30 students representing JPS at the Tongarra District Swimming Carnival. Sport is a great opportunity to feel good and be your personal best. We wish all the students swimming tomorrow the best of luck. Thank you parents for your ongoing support and providing your child with lifelong memories. Great work Mrs Behl-Shanks and Mrs Mulligan for your incredible effort and hard work to prepare the carnival for the whole Tongarra region.

## Resilience

Most students at Jamberoo are more than well settled into the school year. Each day school provides your student with opportunities to 'bounce back' when things do not go the way they had planned. Whether it is being told 'no', needing to wait their turn, or falling over and scraping a knee, schools help your child grow in strength and character. This week on the school website I have added a song from the movie 'Trolls' that is a great way to teach your child the meaning of the word 'resilience'.

## Library News Week 4

We have enjoyed another wonderful week in the Library Lab. The most exciting news is that we have 10 new laptops ready to go, meaning that all classes now have one-to-one devices. Our 3-6 students are now all working in Google Classroom to complete learning tasks answer questions and communicate with myself and each other. Our younger students have been enjoying using virtual and augmented reality in science lessons, and learning to code an animation in Scratch Junior on the iPads. Tangalla are about to begin an exciting unit of work on Mini Beasts using our Lego We Do robotics systems. Yes, that's right, all this is happening in our Library Lab!

I am on leave in Week 5, however, lessons will continue in as normal a routine as possible. Borrowing for K-3 will be postponed until I return in Week 6, however, students will still visit the library and enjoy exploring the shelves.

I would like to thank Chloe, Sarah, Belle and Jack, who volunteered their time on Parent Information Night, to display some of our new technology tools. We really appreciate your responsible and helpful attitude!

In other great news, our fabulous P&C have approved the funds for some very exciting new STEM equipment, so watch this space for more information.

## WHY CONSIDER CHRISTIAN SRE ?

TO NURTURE SPIRITUAL

TO ANSWER SEARCHING  
QUESTIONS

TO HELP SHAPE  
PERSONAL VALUES

TO BROADEN YOUR CHILD'S

TO PROVIDE EXTRA PASTORAL  
CARE FOR STUDENTS AND  
FAMILIES

### 2020 Classes at Jamberoo Public School

**SRE Classes will be running for years K-6 with teachers who are ready and eager to engage your kids with questions around faith, life, and Jesus!**

---

Here are some reflections on primary SRE from past students:

*"As a child of non-religious parents, SRE was the only place I was challenged to think about, religion and my own worldview. I did not become a Christian until much later in life, but I valued SRE for building my interest in all sorts of questions of faith. As a parent, I chose to send my children to a public school over a faith-based school because SRE exists in NSW schools. My children could mix, learn and grow up in a multi-faith, multi-cultural environment which values choice and religious belief." John*

*"When I was a primary school student, I remember how much I loved SRE. The things I learnt were so valuable. I learnt how to make good choices... to know that God had made me ... that I wasn't a mistake ... that I was loved. These things had a deep impact in my life." Nicole*
