Congratulations to the Regional Swimmers

Stage 3 Wedderburn Camp

Students in stage 3 have been invited to attend a 3 day camp to Wedderburn. The camp is a great opportunity to build friendships, be adventurous and challenge being out of your comfort zone. Information for Stage 3 families has now become available on the Care Monkey app. The camp will run from Monday 30th November to Wednesday 2nd December. Please encourage your child to take part in this unique opportunity to build memories for life.

Asthma Action Plans & Individual Health Care Plans

Any student who has an Individual Health Care Plan, including Asthma Action Plans, need to have them reviewed by their medical practitioner at least annually. If you haven't updated your child's Individual Health Care Plan within the last 12 months please do so as soon as possible. You are also required to fill in a consent form for administering prescribed medication at school which is available at the office.

An Individual Health Care Plan must be developed for:

- severe asthma, type 1 diabetes, epilepsy and anaphylaxis
- any student who is diagnosed as having a condition that may require an emergency response
- any student who requires the administration of health care procedures

Young Leaders Day

On Monday our 4 amazing school leaders are travelling to the 'International Convention Centre in Darling Harbour to spend the day listening to celebrities and industry leaders on how they can inspire and positively influence themselves and others. Confirmed speakers for this year's conference are John Coutis, Erin Molan, Jade Slater, Bianca Chatfield, Rove McManus and Solli Raphael. A big thank you goes out to Mrs Behl-Shanks for organising and supervising our school leaders.

Aboriginal Education at Jamberoo Public School

This week at Jamberoo Public School, Mrs Martin has led students with indigenous backgrounds through a process to build a 'personalised learning plan'. Classroom teachers, students and parents had the opportunity to design a plan to enhance not only educational outcomes, but also increase the cultural education for all students. In 2020, we as a community look for ways to establish, build and strengthen relationships with Aboriginal people and the Jamberoo community.

Children with Disabilities

If your child has a disability or you have consulted with a medical professional, please pass on any reports that would help your child's classroom teacher make the necessary adjustments to ensure they receive quality education. At JPS we strive to work collaboratively with families to ensure your child gets the best experiences from their schooling.

Cross Country

Our school cross country will take place on Friday 3rd April. Details of start times and distances will be placed on ClassDojo in the next few weeks. We look forward to all students having a go, and the support of our caring community.

Mr Paul Galea

Tongarra Swimming Carnival

A hearty congratulations to the 30 students who joined us at the District Carnival last Friday. You all did a great job of supporting each other and there were lots of personal bests set, as students pushed themselves to better their qualifying times. We finished 5th out of the 9 schools participating, which is a credit to our small school and to the swimmers representing us.

A big thank you to Mrs Mawbey (Lilli's mum) who did a fantastic job volunteering and using her expertise to ensure our events were recorded on the day. Thanks also to the parents and supporters who transported students, to Mr Galea for supervising our team and to Mrs Milligan who was an excellent assistant as Jamberoo PS convened its first district carnival in decades.

Our best results on the day came from the following swimmers, who will be progressing to represent us at the Regional Carnival on March 11th –

Ellie – 8-10 years breaststroke (2nd), backstroke (1st), freestyle (1st), IM (2nd) – pending (a time-based event)

Lilli M – 11 years breaststroke (3rd), freestyle (2nd), butterfly (1st)

Cooper A – 13 years freestyle (2nd)

Debating News

Mrs Martin and I have been so impressed with the enthusiasm (and sheer numbers) of students attending our Tuesday sessions. Keep up the enthusiasm, however there will be **NO debating next Tuesday morning** (3 March) because of the number of debaters participating in the Paul Kelly Cup. Debating will resume on Tuesday 10 March at 8am.

All debaters have been sent a note regarding the Arts Unit Debating Training Day on Care Monkey. If you are interested in your child attending this day, please complete the form before 3pm Monday 2 March. Should we have more than 12 students who would like to participate in the day, we shall randomly select students and let you know the 12 students attending. Cost is \$25 per student.

Dragon-Boating Draws Near

We would love to have Jamberoo school community's support on Saturday 7th March. If you, and yours, are able to come down and cheer us on from the jetty, we would LOVE to see you! The Shellharbour Festival of Sport is an annual event, with the community dragon-boating race a part of the JPS calendar for the last 12 years. There are food stalls and a jumping castle for those that would like to

join us at this family friendly event. We also promise to give our all on the water to make your effort to support us worthwhile. We can be found at the Ski Way Park, Oak Flats from 9am until about 2pm.

For the members of the mighty 'Jamberoo Dragon-Slayers' squad, a reminder that your \$25 entry is now due. There is also an indemnity form to sign. Kate in the office is happy to collect your registration money and point you in the direction of the registration form. Please try and do this before the close of Monday. I will see you all at the Illawarra Rowing Centre - Northcliffe Dr, Warrawong, at 4.50pm on Friday 6 March for our training run. I should be able to share our racing times with you at the training session.

S.Behl-Shanks

Young Leaders Day

It is with much excitement that the 4 school leaders - Cooper, Amarni, Lilli M, Cameron - and I will be heading to Young Leaders' Day this Monday. We look forward to sharing the take home messages we will gather from the likes of John Coutis (an inspirational speaker with a severe physical disability whom doctors once gave little hope for survival. Now, without the lower part of his body, John rolls around on his custom skateboard sharing his story, life's most important lessons, and his enthusiasm for life) and Jade Slater (the brains behind Cotton On clothing store's tote bags, mints, water bottles and other items which are sold for the purpose of raising funds for overseas education projects).

A reminder that the leaders need to arrive at Albion Park Railway station 6:05am and can be picked up from Albion Park Train Station at 5:13pm.

Each student will also need their own Opal card with \$20 credit.

S.Behl-Shanks

Mathletics

Our 2020 Mathletics program is now up and running! This is a whole school program aligned with the mathematics curriculum to help support students in their mastery of mathematical concepts. It will be used in classrooms and also as a homework tool.

The cost is \$16.50 per student and this payment can be made by POP or at the school office.

THE FLAME TREE PROJECT

Illawarra in Song

2020 Program Auditions

Students in Years 3-8

The Flame Tree Project is a high quality choral program for young singers in the Illawarra.

In 2020, we are delighted to share the Dreaming story 'OOLA BOOLA WOO' – THE STORY OF FIVE ISLANDS. Four outstanding Australian composers have been commissioned to produce 7 original compositions.

The cost of this unique program is \$135. The Flame Tree Project is a provider of the NSW Government's 'Creative Kids Program' and a \$100 voucher can be claimed against this cost. We also have subsidised places available courtesy of the generous support the IMB Community Foundation.

Auditions: Confirmed upon application

Workshop Dates: Sat/Sun 22 & 23 Feb and Sat/Sun 21 & 22 March 2020

Performance: 22 March 2020

Places are limited and applications will close once the program is full. The Application Form can be found on our Facebook page. For further information please email steve@flametreeproject.com or phone 0437 885731.
