A SMALL SCHOOL MAKING A BIG DIFFERENCE

COVID-19

As you are all aware, schools receive direction and advice from the Department of Education in relation to dealing with COVID-19. Parents and community have received and will continue to receive information via the Clasdojo app. At present school is operating, but assemblies and events are postponed/cancelled. During this time the Department of Education recognises that students may need to be absent if self-isolating, have poor immunity or a have a family member who is vulnerable; the school has codes to justify any of the mentioned absences.

Postponed Events

Due to the COVID-19 a number of events will continue to be postponed or cancelled. In relation to grandparents day we are looking to run this later in the year once the weather warms up. Quite a number of sports events up till now have also been cancelled. All dates for events will be placed on class Dojo.

Absent Teachers

Jamberoo Public School is blessed to have hard-working, committed and caring staff members. Occasionally, just like the rest of society, they may be unwell or unable to be at school. When it is known that a teacher is going to be absent for continuous days, where possible and for consistency for your child, the same teacher will be kept on that class. If you have any concerns with a teacher we encourage you to communicate with your child's teacher. If you have further concerns please feel free to contact the school and schedule an appointment with myself.

NAPLAN 2020

NAPLAN is scheduled to run in Weeks 2 and 3 of Term 2 (4th – 15th May). All assessments are now done using laptops and are completed online over a spread out 2 weeks. The main **purpose** of the **NAPLAN** tests is to take a 'snapshot' of your child's literacy and numeracy skills. Please do not place too much of an emphasis on the NAPLAN assessments as they are only one tool in a range of strategies school use to assess your child's progress and inform their learning needs.
