The decision was made to continue with applications, with the view that students would start their chosen program (or similar program if not available), when possible to do so.	
R BINKS	- 2020 Fundraising: Fundraising is currently on hold given the current situation. There may be a possibility to continue with a pie drive in the near future. Grandparents Day, Bunnings BBQ, Spring Bazaar and Santa Photos may be possible later in the calendar year. The P&C focus in the current circumstances is to support students and families.	
B BINKS	- Happy Handz: Happy Handz now have an alcohol-based sanitiser suitable for our current classroom dispensers. This new sanitiser was ordered and has been placed in the dispensers in each classroom. Issues were raised with battery life and Tangalla's dispenser is broken. Manual replacement is a possibility, as well as extra dispensers for the library, front office and staff rooms.
